Hello Everyone

It is hard to believe where this year has gone as we approach the end of the 2019 school year. We are mid-way through our Advent season of preparation for Christmas. At St Joseph's, we have had numerous end-of-year celebrations which have been enjoyed by many.

Mrs Fleur de Farias' farewell assembly was very special - a tribute to her 34 years service to our school. There were tribute songs from each level of the school along with performances by our choir, Pasifika and Kapa Haka groups. Our Maori whanau presented her with a beautiful Korowai which she will treasure always.

Our family picnic and Christmas carol night, the first back in our school hall, was a great success and enjoyed by all - a mixture of modern and traditional song and the nativity tableau acted out by some of our younger children. I hope you didn't miss out on the staff's star performance! Special thanks to the PTA who manned the sausage sizzle.

On Tuesday, our Year 8 students went to the Tyburn Monastery for their Retreat organised by Mrs Francis. Fr Robert celebrated mass for them. This was another special occasion for them as they graduate from our school and head off to high school. Last night they had their Graduation dinner supported by their parents and teachers. It was a lovely occasion. The children had become most proficient in their dancing and looked amazing dressed in their finest. Our end-of-year prizegiving will be held tomorrow at 11:30am in the school hall.

Tomorrow, Friday, your child's End of Year Reports will be sent home. Included with this is a placement letter for next year letting you know your child's next classroom and teacher. Please understand that there are many factors that come into play when making these decisions in your child's best interest. Please continue to encourage your child to read or to do some maths over the holidays. Without continued practise, your child's progress may not be maintained over such a long period away from school - something educators call the "summer dip".

Next week we have more celebrations with our final Year 8 assembly on Monday at 1.45pm. Another special tradition at St Joseph's is the annual gift-giving for the elderly in our parish community. Each year, groups of Year 8 students visit specific people. It would be wonderful if you were to send a gift to school, before we deliver them on Wednesday morning, as at the moment we have only a small number of gifts. The elderly are often waiting for our young ambassadors and look forward to talking to them.

Our End of Year Mass is on Wednesday at 1pm. At this mass, the Board will present service awards... While we farewell Mrs de Farias as assistant principal, she will be back for one day a fortnight and possibly some relieving. We also farewell Mrs Jennifer Nazereth who has been a teacher aide in our school for the last 2 years. Mrs Nazereth and her family have moved out of Pukekohe and we have appreciated that she continued to travel here daily until the end of the term. We also wish Mrs Karen Nunes a restful break as she takes a year's leave and look forward to her return to the staff in 2021.

"Let the most gentle charity reign among you and take great care of the health of each other. Do not feel obliged to work too much, but give both body and soul plenty of rest."

Next year, on our first day back at school, Tuesday 4 February 2020, the children will go directly to their allocated classrooms at 8:45am, and at 9:00am our school year will begin with a Powhiri for new staff, students and their whanau in our school hall.

Lastly, I wish to acknowledge the dedicated staff of St Joseph's School who go beyond their roles to give your children the best opportunities for their needs. We are blessed to have such a wonderful group.

Thank you to you all for your ongoing commitment to our school. We are privileged to have your children in our care. We wish you a Happy and Holy Christmas, and a safe summer holiday.

School Notices

Gifts for the Elderly: On Wednesday 18th December our Year 8 students will visit the elderly and deliver Christmas gifts to them. They often sit with the elderly and talk with them. It is a time for giving and caring. We would appreciate if you could give a small gift for a woman, man or unisex so that our students can deliver these much-awaited gifts.

Lockdown: A lockdown practice took place last week on Thursday 5th December during morning break. This practice was to help the children to know what to do should a situation happen during a school break when they outside and need to get back inside quickly.
