

Kia ora Whanau,

Wow!! So after 12 days of lockdown, we are now entering into Holy Week. How blessed are we that we have so many resources online to help us to enter in this week and into Christ's journey towards the cross and his resurrection.

I have made a [little video for you](#) and your children for tomorrow being Palm Sunday. I am not TVNZ so please ignore any cuts or sound issues.

It is important that you don't socially isolate at this time and ask for help if you need it. Our parish community St Patrick's has asked to know of anyone in need, there is a post that I have pasted below:

**IF YOU NEED URGENT FOOD SUPPLIES DELIVERED PLEASE CALL
TOLL-FREE
0800 22 22 96**

On the other hand, if you have any extra food St Vincent De Paul at the parish need to replenish their non-perishable supplies - they currently require

UHT milk, baked beans and spaghetti, rice, canned fish and meat, flour, soap, shampoo, toilet paper, washing powder and dishwashing liquid.

(no perishable or luxury items please)

If you are able to help please drop any items you can give into the container by the main entrance door of the church. This will be cleared each day. Thanks for anything you can give, Noel and the SVDP team.
(for queries ph: 238 6377)

May God bless you all,

Anna Francis
