## Principal's Message

*Tena Koutou Katoa Talofa Lava Kamusta Malo e lelei Mauri Hello Everyone*

Welcome back to school in Alert level 2.5! In general, everyone has settled well back into school life. We are pleased to be back to "normal" again. Thank you for supporting us by not coming into the school unless necessary. If you do need to, please either use the QR App or sign in the register at our main door. We do ask that you do not send your children to school too early as they cannot enter our school grounds before 8:15 am. Teachers will be at the gates in the morning and afternoon to greet and farewell students. There will be no students on morning road patrol during Alert Level 2.

We have decided not to assemble as a whole school for the rest of the term as it is difficult to maintain sufficient distance between students. Although we can be together at school, we cannot invite parents onto the site in groups as this will create a "gathering". We are very mindful that this school year has been very different for our students and many events have been cancelled or postponed. We can't move everything into Term 4 as it is a full-on term already, and we cannot guarantee the Alert Levels we will be working in. We are very hopeful that our Y5/6 Camp will go ahead as we can have our camp in Level 2.

As you can see by now our new building is beginning to dominate our landscape. It is going up very quickly now. This is a replacement project and once completed, some of our older classrooms will be demolished and a hard court area reinstated.

We are going ahead with our planned Teacher Only day next Friday 11 September. Teachers have already missed a TOD this year because of Covid-19 and it is important for their professional growth and our school focus that we have the opportunity to meet this way. Our facilitator is Jacque Allen, from Cognition Education, as we continue to focus on the success of teaching/learning collaboratively.

Further in this newsletter you will see information about our Term 3 parent/teacher/child conferences. Obviously, because of the times, these will be run a little differently this term. We acknowledge Term 1 face-to-face interviews could not take place and you may, indeed, have had more contact with your child's teacher through distance learning, but it is really important we keep talking about your child's learning. Unfortunately, our usual Term 3 open evening cannot take place.

I'll leave you with this whakatauki: **He aroha whakatō, he aroha ka puta mai** - If kindness is sown, then kindness is what you shall receive. In times like these I think we need to be kind to ourselves as well.

Stay well and God bless

Key Dates		Special Catholic Character
	<p><b>Due to Covid -19 Key dates will be updated as changes become known.</b></p>	<p><b>"May today there be peace within. May you trust God that you are exactly where you are meant to be. May you not forget the infinite possibilities that are born of faith. May you use those gifts that you have received, and pass on the love that has been given to you. May you be content knowing you are a child of God. Let this presence settle into your bones, and allow your soul the freedom to sing, dance, praise and love. It is there for each and every one of us." St Teresa of Avila</b></p> <p>We sometimes lose sight of our own purpose and how we are meant to play a part in bringing peace to the world. So often it starts here: with internal peace - a peace with Our Lord and a deep sense of rest in the creation He has made us. Such a peace radiates out into our families and our communities. Cultivated in each of us, it could bring about great change in our world. And yet, suffering and death, pain and loss, will all continue to be part of our experience.</p> <p>Let us pray to be instruments of peace even in moments when it seems the battle is lost. Let us never submit to the lie that it is hopeless but hold on to the hope that our God is great and can overcome all things.</p> <p>So many events and activities have been cancelled or postponed this year. One of the activities that has been postponed till next term is Our Cans for Christmas Mufti Day which was scheduled for this Friday. More details for next term's mufti day will be released closer to the date.</p> <p>Ask our tamariki about their Catholic mindfulness in class and, when life is getting tough, help them to remember that God is bigger than all of this and to keep a hold of the fact He is a great big God, bigger than any disease.</p> <p>God bless you and keep you.</p> <p>Anna Francis DRS</p>
