Hello Everyone

Well, we made it! A full term without any COVID interruptions; the only full term this year. And what a busy one with so many events being provided for our children across the school. These are the memories our students remember, the fun days and education outside the classroom activities.

We are in our third week of Advent, a time of preparation for our Christmas celebration of the birth of baby Jesus. At school, we too are in a time of preparation, with the additional tasks required to move out of our oldest classrooms in readiness to moving into our new building at the beginning of our new school year. It will be exciting to see the transition of collaborative practice across the school in our new spaces.

Last night our Year 8 Graduation Dinner was held at Pukekohe Park. It was wonderful to see our students dressed up and coming to a formal event with their parents to receive their graduation certificates. It was also a treat to have them showcase their formal dancing capabilities. It was such a joy to celebrate the growth of our students over their time here at St Joseph's and we hope that they enjoy the rest of the celebrations set in store for them for the remainder of the year.

Tomorrow, we also celebrate the successes of this year at our school prizegiving. Although not all children receive an award, I wish to acknowledge all of our children for the contribution they have made to the life of our school. Without each one of them, our school would not be as complete. We are all pieces of the St Joseph's School puzzle and together we are complete. I often promote St Joseph's pride and it is with great pleasure we see our past students achieving at their new schools and coming back to visit us to share their successes.

While our school grounds will still be a construction site (the old buildings being demolished over the holidays), we will move into our new building at the beginning of Term 1. I remind you that on our first day of school, Tuesday 2 February, we will be having a Powhiri at 9:00am in our school hall to welcome our new students and staff into our St Joseph's School family. We are hoping our new building will be blessed by a komatua and Fr Robert at this time.

Right now, we are all feeling a little bit tired. It's been a "big" year and I know my staff are looking forward to a well deserved rest. I know you must be too. I hope we all get a chance to relax and refuel over the summer break.

Wishing you and your families many blessings for this Christmas season.
Stay safe and keep well.

Christmas Blessing

Celebration is an attentive and gracious joy of presence.

When you celebrate, you are taking time to recognise, to open your eyes and behold in your life the quiet miracles and gifts that seek no attention: yet each day they nourish, shelter, and animate your life.

The art of belonging in, with, and to yourself is what gives life and light to your presence; it brings a radiance to your countenance and a poise to your carriage.

When your heart is content, your life can always find the path inwards to this deep stillness in you.

-John O'Donohue

Key Dates		Special Catholic Character
Wed 9 Dec	Year 8 Graduation Dinner Prizegiving 11.30 am	<p style="text-align: center;">St. Joseph "makes impossible things possible".</p> <p style="text-align: center;">Pope Francis</p> <p>This Advent we have been given a special gift. Pope Francis has made the new year of the church the year of St Joseph. What an awesome saint to have for 2021 and beyond. St Joseph was a poor humble man. His ancestors were great kings but his family line had gone into obscurity. He led a quiet life and then life got messy very quickly. His betrothed became pregnant, an angel visited him and told him that he was to have that child as he wanted to separate from Mary. He then finds out that there is a census and needs to go home to Bethlehem. His wife is very pregnant and he has to walk miles to get there. We all know the story when they got to Bethlehem he and his wife had to stay in a barn. As a parent and husband he must've felt so inadequate, so helpless. This is such a great story for us parents this Christmas. As we say goodbye to 2020 and the crazy year it has been. We are called to follow St Joseph to put our trust in Jesus and in his amazing plan for us because when we do miracles happen.</p> <p>Merry Christmas and may 2021 the year of St Joseph be one of happiness, humility and expectation of great blessings for each one of you.</p> <p>God bless Anna Francis DRS</p>

School Events

Mission Day Update - it was a wonderful turn out with raffles, toys and cakes galore. The year 7 and 8's did an amazing job of running their stalls, and sold out of most items right on time. We had a very successful Mission Day raising over **\$5000** for the RNDM Mission Sisters. Thank you to every single one of you who contributed to this day that I know every child looks forward to! Here are a few snippets of the day!

ICAS results: Students who have sat the ICAS Maths and English tests have now been given their results. Parents please contact Mrs Mavicich if your child has not given you the login sheet. A special acknowledgement to the following students who achieved amazing results; Simon Vicente received Distinction in Maths finishing in the 95th percentile of all students who sat the test in New Zealand and Australia. Alyssa Plimmer received Distinction in Maths, finishing in the 93rd percentile, and a High Distinction in English, finishing in the 99th percentile. Congratulations, Alyssa and Simon!

Great Growing Challenge: At the end of Term 3 I had lots of children sign up for the Great Spring Growing Challenge. There were lots of seeds given out from watermelons, peas, beans and radishes. I have heard great stories about epic fails as well some great success'. The judging took place after the children returned their diaries last week. **Kieron Barrington** was our overall winner after producing a fabulous diary about growing lettuce on a large scale. **Emily Stallworthy**, **Elizabeth Klavenes** and **Deanna Fermin** also had brilliant diaries all deserving a fabulous gardening pack!!!
