

Dear Parents and Caregivers,

Please read the important information listed below regarding, End of Year Reports, Class Placement List, Prizegiving Awards, School Magazines, Year 8 Assembly and End of Year Liturgy. As you can imagine, we are trying to preserve as many of our end of year school traditions as possible though, obviously, they aren't able to be held in the same manner.

Prizegiving: On Monday the 13th of December at 11:30am our annual school prize giving will be shared via a pre-recorded link with you all. This link will be available to you on our school Facebook Page and through School Loop. It will also be played across the school at the same time for all our students. Children in attendance who have received an award will have a photo taken with their trophy and will be able to go home with their miniature and certificate. Large trophies will not be sent home this year. If your child is not attending school but receives an award you are welcome to bring them to school between 1pm and 2:30pm on Tuesday the 14th for a photo opportunity with their trophy and to receive their miniature and certificate. Please come to the front of the school.

Reports: End of year reports and class placement lists will be sent home with children on Monday the 13th. Parents wanting to collect their child's end of year report can also come to school between 1-2:30pm on Tuesday the 14th to collect these. Please come to the front of the school and we will have tables set up by Team for you to pick up their reports, and school magazine (if ordered).

Year 8 Assembly: A special leavers assembly created by our Year 8's will be presented on Tuesday the 14th at 11:30am in the same format as our school prizegiving and will also be shared via a link posted on our Facebook Page and Skool Loop.

End of Year Liturgy: This liturgy will be held on Wednesday the 15th at 10am. Please note this will be available via a Zoom link shared on our Facebook page and Skool Loop for anyone to attend. This is special liturgy to end the school year and acknowledges our Year 8 students as well.

If you have any questions around the events listed above, please contact our school office. We thank you for your continued support as we finally come to the end of this disruptive Covid school year.

Ngā mihi nui,
Lori
