Dear Parents and Caregivers,

Re: Meet the Teacher and Parent Information Evening

Due to the increasing numbers of COVID-19 Omicron in Auckland, we will now be holding our parent information sessions, that were to be held on site tomorrow evening Tuesday 15th February starting at 6pm, to an online session via zoom. Each team member will introduce themselves and present important information about the teaching and learning programmes within their learning spaces. We hope you will be able to attend. Keeping our students and staff safe and healthy is our first priority. Thank you for understanding.

Please use the links below to connect to your child's Kaitiaki presentation.

6:00 - 6:20
