Principal's Message

***Tena Koutou Katoa Talofa Lava Kamusta Malo e lelei Mauri Malo ni Faka talofa
atu Namaste Greetings to all***

Welcome back to our winter term.

The wet weather has been persistent, but the sun shone for us last Friday when our school cross-country was held in our school grounds. The children participated in their house colours. I know you would have enjoyed watching your child compete and have felt the genuine school spirit that days like this promote. It is another occasion that brings our parents and families to school and the day didn't disappoint. I am sure the sunny weather also made a difference. Thank you to the teachers who organised this event and the parents who helped out.

You would have received our Term 3 Key Dates and the Team's Term Newsletters in Week 1. There are a lot of sporting opportunities for our Years 4-6 this term: cross-country, netball, rugby, and our Catholic schools' St Anne's Shield competition. There are also cultural opportunities during our Pasifika and Maori Language Weeks. Our Year 6 students were able to attend the PIS High School musical last week and we have a team preparing for Jump Jam later in the term. St Joseph's, along with Pukekohe Intermediate, is co-hosting the Franklin Pasifika Speech Competition. This will be held in our school hall. We also have our Proclaiming the Word competition. So a lot is happening.

Preparation for the Year 5&6 Camp at Totara Springs in Term 4 is well underway and fundraising is ongoing. If there is any parent who is willing to sponsor a child's camp fees, please contact me through the school office. We want every child to have this camp experience.

We farewelled Mrs Jeannette Irwin at the end of Term 2. (She has written you a letter, which is attached to this newsletter.) We thank Mrs Joan Murphy and Mrs Shelley Nicholson, who have taken over the KickStart Breakfast programme, sponsored by Sanitarium and Fonterra, at school. Any child is welcome to come for breakfast after 8:00 am in the school hall each morning.

It is with regret that we inform you that Miss Courtney Armour, Aroha Year 1 teacher, has become unwell and has been advised not to work while she waits for her upcoming surgery in September. There is a significant recovery period after this surgery, which has prompted Miss Armour to resign from her position at St Joseph's School. We wish her all the best as she faces this health challenge and a full recovery.

Today, Mrs Burns and I were invited to take a group of students to attend the Feast Day Mass for St Ignatius of Loyola Catholic College. We are happy to continue to maintain our relationship with the college and let our children experience going there.

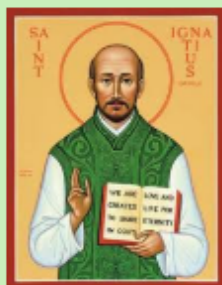

This Sunday along with my sister, Sr Margaret RNDM, I am attending a special blessing at the Mission Sister's convent grounds, behind our St Patrick's Church. On Monday, the convent is to be demolished. Although the Sisters have not owned the property for some time, the developer wants to preserve the history of the site naming his project "Notre Dame Living" in the Sister's honour, and using the oak tree that the founder, Euphrasie Barbier, planted in their graphics. Notre Dame Court was also named for the Sisters as this was the land where their secondary school was until the 1960s.

I imagine many of you will be busy this weekend with your children's sports. I hope it stays fine for you all.

Nga manaakitanga ki a koe.

Ursula Hall

Principal - Tumuaki

*Take, Lord, and receive all my liberty, my memory, my understanding, and all my will,
All I have and call my own. You have given all to me.
To you, Lord, I return it. Everything is yours; do with it what you will.
Give me only your love and your grace, that is enough for me.*

St Ignatius of Loyola - Feast Day: 31 July

Special Catholic Character

YCC Mufti Day

Every year CARITAS asks Catholic Schools in New Zealand to take part in YCC day to help support other Catholic Schools around the world. This year, we stood in solidarity with St Leo's Secondary School in Kiribati. Our mufti day in week one raised \$436.20 towards this good cause.

Assumption Mass

We will be celebrating the Assumption of Mary with a whole school Mass on Friday 15th August at 9am. Our Year 5 cohort will lead us and our parish community in a wonderful celebration of Our Mother Mary. We ask all families to bring a non perishable food item in to support our Parish Food Bank.

Parish Food Bank

St Patricks Pukekohe runs a busy food bank that helps support those in need within our local community. As a mission school, we are dedicated to following in the footsteps of Euphrasie Barbier and her unwavering care for those in need. And we need your help! When your child attends Mass on a Friday, please consider sending them with a non-perishable food item such as pasta, tinned foods and cereals. These contributions, no matter how small, will directly stock our Parish food bank, helping them provide essential support and show God's love to families facing hardship in our community. Thank you for your generosity and for embodying the mission of love and service!

School Values Awards

Jean Claire Maningas - Aroha

for encouraging and helping her friend complete the cross country practice even when she found it hard herself

Zoey Talavou - Aroha

Frances Miller - Aroha

COHORT ENTRY

Last term, we consulted with you in regard to adopting a cohort entry policy for our New Entrant enrolments. Thank you for your feedback on this proposal; it was largely supportive.

The Board has now formally adopted a cohort entry policy for New Entrant students, which will take effect in Term 1, 2026.

This policy introduces two entry points per term as set by the Ministry of Education: the first day of term and a mid-term point. New Entrants can start in the first available cohort after their fifth birthday, or at a later entry point of the whānau's choosing, as long as the child is enrolled before their sixth birthday.

Children starting in Cohorts One and Two will be categorised as Year 1 students. Those in Cohorts Three to Eight will be categorised as Year 0 students.

The cohort entry start dates are set by the Ministry of Education. The dates for 2026 are:

Term	Start of term date	Mid-term start date
1	2 February 2026 - Cohort 1	9 March 2026 - Cohort 2
2	20 April 2026 - Cohort 3	1 June 2026- Cohort 4
3	20 July 2026 - Cohort 5	24 August 2026 - Cohort 6
4	12 October 2026 - Cohort 7	16 November 2026 - Cohort 8

St Joseph's Community Health Survey

As a Catholic school in Aotearoa New Zealand, we are committed to delivering a health and wellbeing programme that reflects both the National Education and Learning Priorities (NELP) and the special character of our school.

By consulting with our parent community, we aim to:

- *Ensure our health programmes meet the needs of our learners and reflect the values and beliefs of our Catholic community.*
- *Inform and engage parents in how health is taught at our school.*
- *Respect the principle of partnership by providing parents with opportunities to give feedback and make suggestions.*

If you haven't done so already, please click on the link below to complete the survey. The survey will close Friday 8 August and feedback from this survey will be communicated in the week 9 newsletter.

Thank you very much to those who have completed the survey already.

Attendance

At St Joseph's, we know that regular school attendance is essential for every child's learning and success. **Our goal is for 80% of our students to attend school at least 90% of the time.**

We know that sometimes your child might need to miss school. To help us keep accurate attendance records, please **let us know as soon as possible** if your child will be absent. You can easily do this via the **eTAP app, our school website, or by phoning or emailing the office.**

It's also important to understand the difference between a **justified** and **unjustified** absence. While we appreciate you letting us know when your child is away, sometimes the reason, even if explained, doesn't meet the requirements for a justified absence.

Unjustified absences include:

- **No explanation:** When we haven't received any communication about your child's absence.
- **Holidays during term time:** While we ask that you always inform the school if you plan to take a holiday during term, these absences will be recorded as unjustified.
- **Other reasons not meeting requirements:** For example, if a child simply doesn't want to attend a school event like a sports day, it's their birthday, or if they're staying home because their siblings are unwell.

Being at school regularly is incredibly important for your child's progress and helps them stay connected with their friends and learning. We really appreciate your help in making sure they're here every day, ready to learn!

Term 3 Attendance

In Term 3 so far, 71% of our students have attended school regularly (90% of the time or more). This represents a 2% increase compared to the previous newsletter.

Your child's first schoolbooks might look simple, but they're a big deal! They help build confidence, vocabulary and (hopefully) spark a love of reading. 📚

Celebrations

Aroha

Aroha were amazing competing in their very first school Cross Country! We learned a lot about resilience and stamina. It took lots of personal strength not to stop when it was hard going. We also learned about how to support others and cheer them on. Our teachers were very very proud of us.

Ako

Ako has been very lucky to have Coach Cam from Pukekohe Tennis come in and lead us through two action packed sessions. We learnt how to do both a forehand and a volley, how to hold the racket and how to balance our bodies to get the best result. We were able to challenge each other and show good sportsmanship. We even got to test how well our teachers can catch! We had lots of fun and learnt lots.

Ella Schultz from Ako team competed at the cheerfest champion cheerleading competition in the holidays.

Her team "CX BUNNYS" won 2nd place out of 6 teams who competed in her division.

Well done Ella!

Arahi

Back in week 1, Year 6 were lucky enough to see Pukekohe Intermediate's production of Disney's High School Musical Jr. Our students had a fantastic time! It was a real treat to get out and experience another school's production, especially with the performers being not too much older than our Year 6's! Everyone thoroughly enjoyed the performance and it was a great experience.

Stars Netball Visit

Our year 5 & 6 netball girls were very lucky to have Kate Burley and Rami Kamo from the Go Media Stars come and lead an awesome session with them. Both Kate and Rami are professional netball players and having them come in and share their expertise and knowledge was invaluable for our rising netball stars. They worked on ball skills, defense and using the full space of the court. Our girls loved this experience and look forward to using the things they learnt out on court.

2 Cliff Lane, Glenbrook

Thank you from Mrs Irwin

To the St Joseph's School Principal, School Board, Staff, PTA, Children and Community,

Thank you for a beautiful and meaningful farewell. It will always be remembered by Mick and me with love, joy and sadness in ending an amazing 41 years of my life. The Mass offered by Father Robert and Father Joseph was a very special start to my retirement. Thank you to those who organised each part of the liturgy, the prayers of the faithful, the beautiful singing, and the speeches and gifts presented to me. These all had great meaning to us and our family.

Thank you, parents, past pupils, teachers and parishioners who were present at the Mass. You have my blessings.

I really appreciated the effort shown to set up the magnificent "High Tea" morning tea in the school hall after Mass. The staff wore beautiful brooches in an endearing moment of me and my daily brooches- that was a lovely thought. It was wonderful to be with past and present teachers, teacher aides, family and friends, especially the Sisters of the Missions who had a very early start to get to Pukekohe on time and my own Sister of the Mission sister, Mary, was present.

After feeding the children breakfast, I was shunted out of the hall kitchen and in came the PTA parents and teacher aides, so when arriving back for morning tea all was beautifully ready. A big thanks for all you did and also to Peter our caretaker for helping out with the sausage sizzle organised by Robin for the children from me. Everything ran so smoothly; I am very grateful.

In no time the hall was full of pupils ready for a farewell assembly. A big thank you to all who organised this amazing farewell assembly - being presented with a director's chair complete with my name, a beautifully made quilt depicting the school's activities and symbols that I had a hand in over the years; thank you, Lesley, after 13 years under your guidance, the quilt is a special keepsake. The creation of all 16 symbols from all classrooms has real meaning to me, as has the beautiful book made by the children from all classrooms. I appreciate the writings, poems, stories and pictures in it.

The slideshow had me close to tears as children and past teachers spoke - all very dear to me. The writers who took the time to put together a very heartfelt song, then taught the children across the school to sing it to me. Warmest thanks, Fleur and Joan. I was very honoured to be presented with the Haka at the end of this moving assembly.

Very special blessings go to the principal, Ursula Hall, and staff who presented me with beautiful gifts on the last day of my life at St Joseph's; a lovely surprise as I had been given such a farewell the day before; more speeches, morning tea, and hugs all round. I am so thankful to you all.

God bless St Joseph's School and its wonderful community.

Be part of St Joseph's School Fair 2026!

It's that time again! We are planning our 2026 School Fair. Our fun fair is a popular and amazing community event and draws large crowds from the Franklin district and further afield.

On the day, there is something for everyone, from refreshments and local performances under shade for our more relaxed members of our community to obstacle courses and bouncy castles for the young ones as well as many different food options to suit everyone's needs.

We are looking for support from those in our community to help us raise these funds and also create a fun-filled day for our local community.
